PENINSULA HOUSING & BUILDERS ASSOCIATION BACKS PRICE FOR MAYOR

NEWPORT NEWS - Dr. McKinley Price, candidate for Newport News Mayor, has received the endorsement of the Peninsula Housing & Builders Association (PHBA).

Speaking about the endorsement, Dr. Price stated, "It's an honor to receive the endorsement of the Peninsula Housing & Builders Association. The PHBA and I share a mission to create jobs and and keep housing affordable for the residents of Newport News. Together, I know we'll grow our way out of these tough economic times towards a more prosperous future."

PHBA President Ricky Edgerton said, "We support McKinley Price for Mayor because we know he will work to keep housing affordable for all Newport News residents, and he will work to continue the city's economic vitality."

Last week, Dr. Price, a small business owner, was endorsed by the influential Virginia Peninsula Association of REALTORS (VPAR). The group lauded his business acumen and devotion to community service.

The PHBA was formed in 1956 to promote the housing and building industry. The trade organization is committed to improving the quality of life in the communities of the Virginia Peninsula and surrounding counties.
